## Round Table Meeting

On January 19th, Deputy Chief Squire Dan Kleemann and Burser Dan Schurr represented our circle at the Suffolk Squires Roundtable Meeting at the Bishop McGann Council in Bay Shore. Joining the Squires were Chief Counselor Lehmann and Grand Knight Mr. Lupo. There were four Squires circles attending as well as Squire's counselors, Knights representatives and Clergy. Food and soda were served before the meeting. The Squires shared their ideas on some activities that they have performed and new activities that they would like to

Saturday March 10th is St. Baldricks Day and James and Michael Stein are shaving their heads to show their support for kids with cancer. James and Michael have done this event before as well as their father who is a Knight. Father Valentine has also participated in the event. The event will take place at Napper Tandys in East Northport. Lets cheer these Squires on as they go bald for a good cause!

## Help at the Pasta Dinner

On Wednesday, January 24, the Columbian Squires helped out the Knights of Columbus at a pasta dinner for Alexa Rand, a 3 1/2 year old girl born with a rare heart defect. The Squires helped by selling raffle tickets, collecting garbage and handing out water bottles. A big thanks goes out to Nick and Erik Gerde, Danny Kleemann, Danny Schurr, James and Michael Stein and Donald Kennedy. Thanks a lot!

Friday January 12th the Knights of Columbus held a Free Throw Contest. There were about 35 kids participating. Some of the Squires were there like DanS, Dan K., Dean, Donald and me. The contest was to see how many Free Throws you got out of 15 and see who got the most. If there was a tie (which there was in my age group) you would do best out of 5 shots. The Free Throw Contest was fun and a good way to have friendly competition between you and your friends. I will do it again next year. For any Squire who didn't participate in this event - it was fun and you should try it next year!
