Circle #1596

## Investiture success!

We had our first Squire's investiture on Tuesday, December 12th. Fourteen Squires took part in the ceremony as well as other Squire's from two other circles. Many of the Knight's attended the investiture to show their support. The Knight's arranged for a pizza party back at the Father Seyfried Council right after the ceremony. We all had a good time. We can now send away for our charter and receive a name for our circle. We look forward to being an active circle and to become well known in our church and our community.

If you have any friends who are Catholic and between the ages of 10-17, please bring them down to the next Squire's meeting.

## Squires how can we help at the Pasta Dinner

On January 24, 2007 the Knights of Columbus and Columbian Squires will be hosting a pasta dinner for Alexa Rand at the Kings Park Middle School at 6 p.m. Alexa Rand is a 3 1/2 year old girl who was born with a rare heart defect. Alexa recently had surgery to correct the problem and is at home recuperating. The Squires will be assisting the Knights at the dinner. We will be selling tickets, seating guests, cleaning tables and selling raffle tickets. We are excited about helping the Knights and making this evening a success. Please join us!

## Squires Attend Christmas Party

On Monday, December 18th the Knights of Columbus held their first Knights/Squires Christmas party at our council hall. It was a nice party. I found that it was a great way to get to know the other Knights and Squires better. Downstairs, I played cards with other Squires and made crafts. This was good for me because I think that the other Squire's got to know me better and can trust me to be one of our leaders. It was a great opportunity to get to know them better, as well. The Christmas party was a big hit. Everyone was nice and friendly. I look forward to seeing and working with the other Knights and Squires in January. Happy New Year to All! By Danny Kleemann

## Squires Dues

All Squires must pay dues of \$6.00 to obtain their membership card. The Dues include a \$1.00 investiture fee. Please pay your dues at the next Squires meeting! All dues money will go into a Squire's Circle bank account.
